## **SYNOPSIS**

Greta Maria Berger is a famous actress. Since ten years she plays the name part in “Antigone” on stages all over the world.

Now she returns to her home town, a village in Germany, to honour her brother Georg who had a deadly household – accident.

In the microcosm of her small town, Greta discovers intrigues, makes out a conspiracy and suddenly she is in the same situation as her Alter ego Antigone: The rebellion against authority to get justice for her dead brother! In her head the borders between delusion and reality become blurred.
